## INFORMATION HANDBOOK

## 2019-2020

# A Great Visionary

*Architect of our Success*

S. BALBIR SINGH JI

**S. Balbir Singh Ji (5-12-1938 - 13-2-2008)**

Sardar Balbir Singh Ji was born into the patriotic family which had played a vital role in the freedom struggle of India and thereafter enriched the democratic principles of Indian polity. Since acquiring the higher education at Lyallpur Khalsa College he was profoundly active in the social spheres and was elected as member of state legislative assembly at a young age and was member of the Punjab cabinet from the year 1972 till 1977. During this period of service to the state of Punjab, he was elected as president of our governing council in the year 1973 and continued to guide and steer the group to its pinnacle till the year 2008. It was under his dynamic leadership that the various institutions of the trust gained prominence in the field of education. Apart from being an active parliamentarian as member Rajya Sabha (1992-1998) and member Lok Sabha (1999-2004), he was also devoted to the social causes of all strata of society and was patron of NRI Sabha and also Chairperson of Amateur Kabbadi Federation of India.

From the desk of  
**THE PRESIDENT.....**

## Welcome To KCL-IMT

*Dear Students*

I take pride to share with you that Khalsa College Lyallpur Institute of Management & Technology (KCL-IMT) is a part of the legendary legacy of 100 years young - Khalsa College Lyallpur Education Charitable Trust that has been established with a perspective to impart high quality education to the students. World-wide the current economic & business environment has become highly competitive, posing a pertinent demand for skilled and qualified Business Managers & Technocrats who have analytical, technical, leadership and managerial skills; which can be absorbed at the local or global level by various organizations to achieve their strategic objectives.

Hence, at KCL-IMT, our emphasis is on the holistic development of the students by enhancing their knowledge quotient, reasoning aptitude, managerial skills and technological abilities through innovative teaching and learning methodologies to make them competent enough to accept and successfully surpass the challenges of the corporate world.

At KCL-IMT, our endeavor is to groom the students to become productive team member, firm decision maker and an efficient leader. We also endeavor to nurture among our students moral, ethical and human values to make them become responsible citizens of the country.

I assure that at KCL-IMT, you will receive a high quality education and will be able to elevate your personality through knowledge exchange in the safe and conducive learning environment of the Institute.

*I welcome you to the family of KCL-IMT.*

Blessings  
*Balbir Kaur*  
**Balbir Kaur**

From the desk of

THE HON'Y SECRETARY

Khalsa College Lyallpur Institute of Management & Technology has successfully created a distinction for itself as a leader in imparting Management and Technical education. As college life is considered as the foundation of one's professional future, we at KCL-IMT lay paramount emphasis on the enhancement of student's knowledge, ideology, personality & professional skills through various curricular, co-curricular and extra-curricular activities.

At KCL-IMT, the faculty continuously enhance their knowledge acumen in synchronization with industry standards through their active contribution towards teaching and research & development through publications, participation in seminars & conferences at the national and international level and through conduct of seminars, workshops &

faculty development programmes; and also through business consultancy by providing tailor-made solutions to the organizations for the business-managerial problems. These abilities of our competent faculty members enhance the knowledge learning and credentials of our students to make them become more adaptive for the corporate world.

Through our pertinent constructive efforts, we enable our students to reach new heights in life both personally and professionally. With this, I heartily welcome you to the Institute for an exciting academic life ahead.

Warm Wishes  
Urmiljeet Kaur

From the desk of

THE DIRECTOR (Academic Affairs)

At KCL-IMT, we strongly believe in disseminating Knowledge, Creativity & Leadership; and having the best of the faculty drawn from the best of the Institutions of Northern India who have brought with them the best academic and industrial experience to enhance the knowledge of the students in order to help them to build a successful career.

KCL-IMT is a young Business Management & Technical Institute which has made a positive affinity for itself among business organizations and students.

KCL-IMT has the location advantage of being situated in the heart of the city; besides this, our Institute's state-of-the-art infrastructure and related facilities provide students with ample opportunities to involve themselves in extra & co-curricular activities. This helps the students to inculcate in them the feeling of self disciplined liberty and pro-active decision making.

At KCL-IMT, you are an integral part of our student community and we genuinely value your contribution, participation, personal growth and development beyond the classroom. Our students are our top priority and all our efforts are centric towards them. Further, I assure that at KCL-IMT you will have a wonderful and pleasing experience.

Warm Wishes  
Sukhbir Singh Chatha

## Our Trust

*“ You are now in a place where the best courses upon earth are within your reach .... such an Opportunity you will never again have. “*

The Khalsa College Lyallpur Education Charitable Trust has a glorious past in the service to the society especially in the field of education.

The seeds of the legacy were sown before partition- at Lyallpur (Pakistan) in the year 1908 by establishing the organization's first educational institute by the great sage, a kindred soul **Sant Attar Singh Ji Mastuana**.

After partition the governing council of the Trust established its roots at Jalandhar during the year 1948 through ardent efforts of S. Swaran Singh Ji, Union Cabinet Minister and thereafter the trust was headed by the renowned educationist & administrator S. Balbir Singh Ji, Member Parliament under whose able leadership and guidance the institutions run by the trust established its landmark in the field of education.

The trust under the leadership of Sardarni Balbir Kaur along with support of other distinguished members is successfully running a number of multi-disciplinary educational institutions with strength of nearly nine thousand students in the areas ranging from Arts & Literature to Management & IT.

## Our Vision

*“You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And YOU are the one who'll decide where to go...”*  
- Dr. Seuss

To be a vibrant and innovative centre of education, research, executive training and consultancy in management and technology; to develop a cadre of socially responsive managers, technocrats, entrepreneurs and professionals, thereby fulfilling the contemporary needs of the industry, business, government and the community at large, both locally and nationally.

## Our Mission

To impart quality education, training and research in consonance with the vision of the institute by providing state-of-the-art infrastructure and a learner friendly atmosphere in synergy with innovative pedagogy and networking with industry; to produce world class academicians, leaders and practitioners in related disciplines, thereby emerging as one of the premier institute of the region.

## Our Institute

KCL-IMT has the distinction to be promoted in 2010 by Khalsa College Lyallpur Education Charitable Trust, which has a glorious history of more than hundred years of contribution to the field of education and social cause. The aim of KCL-IMT is to provide self employability skills, training and knowledge compatible to the industry and academic needs in the field of Management and Information Technology. Our endeavour would be to provide quality education to our students and further plan to develop it into a premier institute in the region.

# Infrastructure & Faculty @ KCL-IMT

*"The classroom should be an entrance into the world, not an escape from it."*  
--John Ciardi

# Infrastructure @ KCL-IMT

The state-of-the-art infrastructure of the institute provides an ideal ambience for high-quality teaching and learning, making it the first choice of students in professional and management courses at UG and PG level

## CLASSROOMS - THE FOCUSED LEARNING SPACE

Bright and spacious classrooms provide our students a conducive and peaceful environment for learning through teaching & focused discussions. The classrooms have been designed to bring together analysis with action and are augmented with integrated audio-visual teaching aids for lectures, presentations etc. The classrooms are well ventilated and lighted up. Most classrooms are air-conditioned to create the right atmosphere for long hours of learning

## WI-FI CAMPUS

Communication is in the speed of light that becomes the need and importance of humans to bring the world in your palm. Understanding the need and importance of internet, the institute has Wi-Fi facility for the students and faculty members with dedicated leased line @ 32 mbps offering high speed internet facility throughout the campus with very carefully designed content filtering support.

## COMPUTER LABS

The Computing Facilities of KCL-IMT comprises of 6 state of the art labs:

- Hardware Lab
- Microprocessors & Microcontroller Labs
- Computer Centre
- Programming lab
- Project lab
- Operating System Lab

The labs are equipped with latest configured HP supported machines having i5 and i3, Dual Core Processor with 2 GB/4 GB RAM available. The Labs at KCL-IMT help in reinforcing classroom learning by providing actual hands-on-experience. Separate operating system labs are equipped with latest editions of Linux operating system like Fedora and Ubuntu. Hardware labs are equipped with 8085-8086 microprocessor trainer kits, 8051 microcontroller kits, as well as interfacing modules for 8086 trainer kits. Labs are equipped with embedded system trainer kits along with required simulation software for both microprocessor & microcontroller.

## Communication Lab

Keeping pace with the present era of globalization and need for proficiency in English Language, the Institute has designed modern communication skills lab with twenty five terminals fully equipped with state of the art interactive learning tools with Internet connectivity. It is extremely beneficial for language learning and enhancement of effective communication skills, which are required to vie with the highly competitive professional environment.

## Communication Lab

The Library of KCL-IMT is a powerhouse of knowledge equipped with more than 5000 books including text and reference books, 76 National & International journals and renowned magazines pertaining to the discipline of management and information technology & various newspapers to enrich the knowledge on diversified areas.

The library has also subscribed e-Journals including INFOTRAC Management Collection providing access to more than 1990 journals and INFOTRAC Engineering Science and Technology Collection providing access to more than 1150 journals for the students & staff.

Being the member of DELNET (Developing Library Network), the library has access to broad range of services to augment education and research in the Institute. It maintains an online catalogue of books which are continuously updated.

## Book Bank

The faculty and students of KCL-IMT donated their personal books to start a Book Bank in the Institute. The purpose of this Book Bank is to help the studious and needy students, who can borrow books from the bank for the entire semester and return the same after using.

## Seminar Room

KCL-IMT has a Seminar room well equipped with modern Audio-Visual aids and having a capacity of approximately 200 students. It provides the professional ambience to the students where they can participate in various group activities like Quiz, Case presentation, Case Discussions, Group Discussions etc. It is a venue for holding Interactions, Guest Lectures, Seminars, Workshops, other academic and co-curricular activities.

## Auditorium

KCL-IMT provides state-of-the-art auditorium that acts as a common ground for students, faculty and corporate personalities for regular interface through conferences, job fests, education fairs and various cultural activities.

## GD/PI Room

The institute is having a well furnished, fully AC GD/PI room equipped with all modern technological aids to hold group discussions for the students of KCL-IMT so as to give them a real time experience of the group discussion to be conducted by various companies visiting the campus for as a part of their recruitment process during placements. It will help students in developing good communication skills, confidence and to understand the concept of GDs in a practical manner.

## Common Room

The institute has its own common room which provides an opportunity to the students to interact and engage in indoor activities and can rehearse for cultural activities when their lectures are free without disturbing the scheduled teaching during the working hours.

## Medical & First Aid Room

In order to provide the First Aid in case of any medical urgency, the Institute has a well-equipped First Aid Room for the students & staff/faculty. It is the first port of call for any student who has sustained an injury or is feeling unwell. The First Aid Room is located on the Ground floor.

## Residential Accommodation

A wide range of residential facilities are offered to suit the need of the students. The hostel building has spacious & airy rooms. Girls Hostel is located in the staff colony of Khalsa College and hence provides an absolutely safe and secure environment. Hostels have all the modern facilities to make students feel at home.

## Cafeteria

A cafeteria is a place where students interact with each other and rejuvenate themselves. The institute has an on campus cafeteria which serves hygienic and refreshing food with variety of items. The Cafeteria can be accessed by the students at all times during the day. Quality of the food items are checked regularly by staff.

# Faculty @ KCL IMT

## OUR LEADERS

THE INSTITUTE IS REACHING NEW HEIGHTS UNDER THE GUIDANCE OF:

**Dr. S.K. Sood (Director, KCL IMT)**

## SCHOOL OF MANAGEMENT

Name	Designation	Qualification

Ms. Mandeep Kaur	Assistant Professor	B.Ed., MCA
Ms. Preeti Sidana	Assistant Professor	MCA
Ms. Banita	Assistant Professor	M.Sc (Maths), B.Ed

## Non Teaching Staff

Name	Designation
Mr. Shyam Lal	Office Superintendent
Ms. Sushila	Office Assistant
Ms. Ramandeep	Office Assistant
Mr. Gurmeet Singh	Librarian
Mr. Deepak	Library Assistant
Ms. Navneet	Library Restorer
Ms. Amandeep Kaur Sekhon	Network Administrator
Mr. Sukhpal Singh	Lab. Technician
Mr. Deepak Bhatt	Lab Assistant
Ms. Roshni	Lab Assistant

# Academics @ KCL IMT

*"The one exclusive sign of thorough knowledge is the power of teaching."--Aristotle*

## Curriculum

The competitive global economy is presenting paramount opportunities among budding professionals. The real essence of curriculum design and delivery is to make students highly innovative & adaptive to become congruent according to the industry requirements.

At KCL-IMT, the emphasis is laid on enhancing conceptual knowledge, building analytical reasoning, improving communication etiquettes and nurturing problem solving skill among the students. The curriculum focuses on discussing real-world strategies, understanding latest technologies and other technical & managerial competencies to prepare our students to successfully perform in the corporate world or to manage their business enterprises.

The Institute endeavour to tie up with ISTE, AIMA, PCMA, ICWA, IEEE, ACM, etc. for further enrichment of practical inputs among students.

## Teaching Methodology

At KCL-IMT, our endeavour is to provide in-depth learning of the course contents through the use of audio visual equipments, case studies, group discussions, role plays, management games, simulations, research based projects and presentations by students. These innovative teaching techniques create a collaborative learning environment and builds stronger student-teacher relationship which provides a congenial knowledge sharing atmosphere within the premises.

## Personality Development

Personality is the sum total of ways in which an individual reacts and interacts with others. It is an amalgamation of one's behaviour, attitude and communication skills. At KCL-IMT, we strongly believe that these traits contribute a lot towards the holistic development of students, as it is our responsibility to give our students the opportunity to enhance their personality.

## News Letter

At KCL-IMT, this is our first stride towards bringing in the much cherished synergy in our activities, so that together we can make brand KCL-IMT a big binding force for us, and ultimately one of the most admired educational brands in India. Like the proverbial 'little drops of water making the mighty ocean' each of the small events, initiatives, happenings, and moments of truth would be recorded at monthly News Letter Initiative taken up by the Institution.

## Newspaper

Newspaper reading contains creative ideas to help children improve reading, writing, social studies, math, and science skills. With the help of newspaper subscription, teachers can use newspapers to teach comprehension, critical thinking and to help students develop sensitivity and awareness of the self, the community, the nation, and the world.

## Experiential Learning

Students' learning is excellent, when their knowledge yields through transformation of theoretical understandings into practical learning experiences of their own; as it is blended with hands on experience on whatever we read & learn. With this objective, our students are exposed to the activities like Management Games, Mock Interviews, Simulation Exercises, Live Projects, Web Based Learning Activities, Design/Development of IT Projects, Setting-up of Entrepreneurial Ventures, etc.

## Biziga (Workshop on Simulation Games)

Department of Management in its endeavour to provide quality education to its management students organized a Two Day workshop on Business Simulation. It is one of the latest methods of providing theoretical as well as practical knowledge to the students of Management followed by IIM'S and Top Business schools across the world. The Resource person for this workshop was Mr.Ashish & Mr. Rahul (Alumni of IIM Indore & Director of Biziga Solutions Private Limited).Till present time, institute have taken this initiative for 4-5 times specially for UG and PG classes

## 4-day Workshop on WordPress & Competition on Rapid Website Development using WordPress.

In order to give a hands on experience on Content Management System, department of Information Technology conducted workshop on WordPress followed by a competition on Rapid Website Development for the students of MCA & BCA. It served as a platform for the students to start entrepreneurial projects. Approximately 28 websites on different topics were made by the students during the competition.

## Workshops

In today's era of cut throat competition, updating ourselves with the latest technologies & advancements is one of the major challenges. We at KCL-IMT believe in giving exposure to our students with respect to the emerging trends in their respective fields. In an endeavour in this direction, a workshop on Management Games was conducted by Dr. A.S. Chawla, Registrar, Punjabi University, Patiala, One day workshop on Problem Solving by Design Thinking-Building Creative Confidence to solve complex Problems" was conducted by Prof. Atindra Nath Bhattacharya, Professor, School of Inspired Leadership, Gurgaon and another One Day Workshop on Innovative Practices in Management by Dr. Somesh Dhamija, Head, Management department & Dr. Aruna Dhamija, GLA University, Mathura for the management students. In the sequence, workshop on developing Android Applications was conducted by Net Max Technologies, workshop on ASP.Net was conducted by Correl IT Services, One Day Workshop on Internet of Things was conducted by C-DAC and workshop on Bootstrap was conducted by DUCAT for the students of Information Technology.

## Skill Enhancement Modules

Employability is a function of students' subject knowledge, functional and social skills and attitude. While the subject knowledge and basic functional skills are meticulously imparted by the departments, there is a felt need to hone skills and attitude that employers look for in candidates. Skill enhancement module aims to bridge the skill gap in the students and prepare them to be industry ready and meet demands of the competitive market.

Our Institute also facilitates students in enrolling online certification courses offered by NPTEL, SWAYAM and other reputed Universities. Many of our students have successfully completed online courses.

## Research Paper Publication

Students at KCL-IMT, are more inclined towards research oriented activities. They have participated in different national and international conferences and presented meaningful research papers.

## Guest Lectures

Inviting speakers from the industries and top institutions to share their knowledge & experience with our students is also a routine practice in KCL-IMT. Some of eminent guest speakers at KCL-IMT are:

Dr. Nachhattar Singh , Advisor to Hon'ble Vice Chancellor, Punjab Technical University

Dr. R K Gupta, Vice- Chancellor, Maharaja Agrasen University,Baddi

Mr. Anil Kumar ,CEO-Shrayans Group of Companies

Ms. Charu Vinayak, a Company Secretary.

Mr. Ajay Bhatia, a Google Facilitator.

### Guest Lecture on Supply Chain Practices of Mumbai Dabbawallas

KCL-IMT organized the guest lecture by Shri Ragunath Medge President of Mumbai Dabbawalla's on Supply Chain Practices of Mumbai Dabbawallas. The lecture presented to the students a detailed study of content, context and decisions made by Dabbawala's in managing the operations effectively from both the dabbawala's and retailers, point of view while emphasizing the distinguishing features of their world-class systems.

### HR SUMMIT: Future of Strategic HR: Challenges & Opportunities Ahead

KCL-IMT organized HR Summit on the future of Strategic HR and its challenges and opportunities in collaboration with Punjab Technical University, Jalandhar. By bringing together HR Professionals, Academicians, Researchers & Management Professionals at a common platform to share their expertise in Learning & Development Strategies.

### Seminar on “Agribusiness Management” by Dr. Sukhpal Singh from IIM – Ahmedabad

In the memory of our Late Revered President, Governing Council, S. Balbir Singh Ji, the institute invited Dr. Sukhpal Singh from IIM-Ahmedabad to deliver a lecture on “Agribusiness Management”. Dr. Sukhpal discussed that the credentials of Punjab agriculture like soil health, water resources and availability of finances with the farmers have declined drastically which have adversely affected the quality of contribution of Punjab's agriculture towards national agrarian output. The seminar was attended by more than 400 students and approximately 150 faculty members from scores of colleges in and around Jalandhar.

### Seminar on Agrarian Crisis by Dr. Sucha Singh (Prof. CRRID)

In the memory of our Late Revered President, Governing Council, S. Balbir Singh Ji, KCL-IMT organized a seminar on “Agrarian Crisis”. The institute invited Dr. Sucha Singh (Prof. CRRID), he propounded the fact that Agrarian crisis is hitting farmers and labourers below the age of 35. Furthermore he discussed various factors that eventually pushed the farmers to suicide. Dr. R S Sidhu (Registrar, PAU) also elaborated the various issues on agrarian crisis through statistical findings

### Convocation

The chief guest for the convocation was Dr. Lalit Kumar Awasthi, Director (NIT, Jalandhar). The Convocation began with a majestic and grand academic procession followed by the National Song sung by the students of the Institute. The Director in his report touched upon the infrastructure developments in the campus. More than 300 students including PG and UG were conferred the degrees.

### Meritorious Students

The institute is having a brilliant record in academics as number of students of KCL-IMT have bagged the University Merit Positions in the Final Examinations conducted by IKG-PTU. These students have also been honoured by the Institute and are also given scholarships to encourage them to bring laurels to the Institute in future too.

## Beyond Academics

*"If art is to nourish the roots of our culture, society must set the artist free to follow his vision wherever it takes him." --John F. Kennedy*

## Department Club Activities

### School of Management

With the objective of giving exposure to the students for their holistic growth, different club activities are organised by the students and for the students. There are four clubs managed by the School of Management named as Finance Club, Marketing Club, HR Club and Literary & Skill Enhancement Club. Any student can join these clubs and there is no membership fee.

- The Management club conducted a Psychometric Analysis Test to assess the personality of the students of KCL-IMT by inviting eminent business personalities from Industry, who after analysing the test scores of the students give valuable inputs to the students in improving their personality.
- The Management club organized Business Quiz, Case Study Analysis & Ad- Mad Show in order to enhance the managerial, innovative and communication skills of the students.
- The Management club organised a presentation on Capital Markets, Quiz and Live Budget Session for the management students in order to acquaint them with Practical Skills along with theoretical knowledge.
- The Literary & Skill enhancement club organized role plays in order to demonstrate the importance of communications skills along with a Literary Quiz to test the literary skills of the students in English.
- Management Club Conducted business plan competition to encourage entrepreneurship spirit among the students

*Similarly various other activates like Game zone, paper presentation, Group discussions and Ad-Mad shows are organized for the overall development of the students*

### School of Information Technology
